- OR**

6. A student may choose either:

The VET Course Assurance Option:

7. Under the VET course assurance option, a student will be offered a place in a similar VET course of study by ACPET. If the student accepts this option, ACPET will make all necessary arrangements to ensure a student is able to enrol with the Second Provider in the similar VET course of study. This offered VET course will lead to the same or a comparable qualification without any requirement on the part of the student to pay the Second Provider any VET tuition fee for any replacement VET units (that is, units that the student had commenced but not completed because the VET course ceased to be offered). A student will receive full credit from the Second Provider for any VET units of study successfully completed at the College.
8. The Second Provider nominated by ACPET may have different VET tuition fees to the fees the student would have paid for VET units of study which were part of the VET course of study the College ceased to provide but which the student had not yet started studying.
9. A student is not obliged to enrol in a VET course of study with a Second Provider offered by ACPET under the VET Course Assurance Option. However, if he/she enrolls with any other VET provider there is no obligation on that VET provider to offer full credit transfer for the VET units of study completed with the College or to offer replacement VET unit/s free of charge.

OR

The VET Tuition Fee Repayment Option

10. Under the VET Tuition Fee Repayment Option, ACPET undertakes to pay the student the total of any up-front VET payments already paid by the student for any VET units of study the student has commenced but not completed because the VET course ceased to be offered. Students selecting this option will also have their FEE-HELP balance re-credited for the uncompleted VET units.
