Graduates of the following course will be eligible to apply for enrolment in either the Bachelor of Health Science (Complementary Medicine) or the Bachelor of Clinical Practice (Paramedic) at Charles Sturt University and receive credit as detailed below:

Course Name	Credit Points	Subjects to complete at CSU
Diploma of Sport (Athlete Support Services)	128 points	4 Core and 4 Electives

If there are any changes to your course structures or subjects, it would be appreciated if you notified the Faculty. Likewise, we will do the same if our program is likely to change. I understand your company has been made aware that the Bachelor of Health Science (Complementary Medicine) will be undertaking a major course review next year and, as such, there will be a re-evaluation of all credit sometime in the next 12 – 18 months.

Admission of students to the Bachelor of Health Science (Complementary Medicine) and the Bachelor of Clinical practice (Paramedic) is at the sole discretion of CSU in accordance with academic standards of CSU and CSU Rules.

The advice contained in this letter supersedes any previous advice regarding admission and credit.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Peter Ryall', with a long horizontal stroke extending to the right.

Mr Peter Ryall
Executive Officer, Faculty of Science
